Escrow Agreement

Per California Public Contract Code. § 22300

Escrow Agreement for Security Deposits in Lieu of Retention

This Escrow Agreement ("Escrow Agreement") is made and entered into this _____ day of, _____, 2017 by and between the **Santa Cruz City Schools ("District")**, whose address is

Santa Cruz City Schools Facility Services Office
536 Palm Street, Santa Cruz, California 95060

N/A

and

_____ ("**Contractor**"), whose place of business is located at

and

_____ ("**Name of Bank**"), a state or federally chartered bank in the state of California, whose place of business is located at: _____

("Herein after called Escrow Agent").

For the consideration hereinafter set forth, **District**, Contractor and Escrow Agent agree as follows:

1. Pursuant to Section 22300 of Public Contract Code of the State of California, Contractor has the option to deposit securities with Escrow Agent as a substitute for retention earnings required to be withheld by **District** pursuant to the Construction Contract entered into between **District** and Contractor Front Landscape Improvements Project project, in the amount of \$ _____ dated _____ (the "Contract"). Alternatively, on written request of Contractor, **District** shall make payments of the retention earnings directly to Escrow Agent. When Contractor deposits the securities as a substitute for Contract earnings, Escrow Agent shall notify **District** within ten (10) calendar days of the deposit. The market value of the securities at the time of substitution shall be at least equal to the cash amount then required to be withheld as retention under terms of Contract between **District** and Contractor. Securities shall be held in name of _____, and shall designate Contractor as beneficial owner.
2. **District** shall make progress payments to Contractor for those funds which otherwise would be withheld from progress payments pursuant to Contract provisions, provided that Escrow Agent holds securities in form and amount specified above.
3. When **District** makes payment of retention earned directly to Escrow Agent, Escrow Agent shall hold them for the benefit of Contractor until the time that the escrow created under this Escrow Agreement is terminated. Contractor may direct the investment of the payments into securities. All terms and conditions of this Escrow Agreement and the rights and responsibilities of the Parties shall be equally applicable and binding when **District** pays Escrow Agent directly.
4. Contractor shall be responsible for paying all fees for the expenses incurred by Escrow Agent in administering the Escrow Account, and all expenses of **District**. Such expenses and payment terms shall be determined by **District**, Contractor and Escrow Agent.

5. Interest earned on securities or money market accounts held in escrow and all interest earned on that interest shall be for sole account of Contractor and shall be subject to withdrawal by Contractor at any time and from time to time without notice to **District**.
6. Contractor shall have the right to withdraw all or any part of the principal in the Escrow Account only by written notice to Escrow Agent accompanied by written authorization from **District** to Escrow Agent that **District** consents to withdrawal of amount sought to be withdrawn by Contractor.
7. **District** shall have the right to draw upon the securities in event of default by Contractor. Upon seven (7) days' written notice to Escrow Agent from **District** of the default, Escrow Agent shall immediately convert the securities to cash and shall distribute the cash as instructed by **District**.
8. Upon receipt of written notification from **District** certifying that the Contract is final and complete, and that Contractor has complied with all requirements and procedures applicable to the Contract, Escrow Agent shall release to Contractor all securities and interest on deposit less escrow fees and charges of the Escrow Account. The escrow shall be closed immediately upon disbursement of all monies and securities on deposit and payments of fees and charges.
9. Escrow Agent shall rely on written notifications from **District** and Contractor pursuant to Paragraphs 5 through 8, inclusive, of this Escrow Agreement and **District** and Contractor shall hold Escrow Agent harmless from Escrow Agent's release and disbursement of securities and interest as set forth above.

Contractor Acknowledgements

By submitting a bid for this project with anticipated execution of the contract for construction, the Contractor Hereby Acknowledges that a promise has been made to the District to provide the labor and materials indicated in herein. Contractor acknowledges that all of these documents are integral components of the Contract for construction:

- Front End (including but not limited to the form of agreement, general, supplemental and specific conditions)
- Technical Specifications
- Drawings
- All Addenda

The following acknowledgements are not meant to supersede or to limit the Contractor's contractual obligation to the District. Contractor is responsible for all items described in the contract documents. The following acknowledgements must be submitted with the contractor's proposal in order to be deemed a responsive and responsible bidder. Not all project requirements are indicated below.

Acknowledgements

Key Requirement	Initial
Contractor has experience managing public school modernization projects on multiple sites simultaneously.	
Contractor has made no assumptions that requirements called for in these documents do not apply.	
Contractor acknowledges the District's right to self perform work. Contractor will not impede the District should the District decide to perform work with its own forces or via another contractor.	
Section 080000: Supplemental General Conditions General Contractor shall submit all waivers to the Architect with each pay request	
Section 010000: Project Summary The required completion date is TBD . (or as revised by addendum). By entering into a contract with the District, the contractor acknowledges a complete understanding of the project and anticipates completion of the project on time and without reservation.	
The site will be available for a seven (7) day work week.	
Inspections or Special Inspections will not be available on weekends	
Architect and Owner Rep/Project Manager will not be available for weekend questions or issues.	

Key Requirement	Initial
Section 012500: Contract Modification Procedures	
The District has the right to issue construction change directives when Contractor, Architect and District do not agree on an issue. Contractor will oblige the District's right to issue change directives.	
General Contractor's overhead and profit markup (including bond charges) shall not exceed 15% of subtotal, and for work performed by subcontractors shall not exceed 5%	
In the case where work is done prior to final pricing, General Contractor must submit a Change Request for cost and time for review by the Architect and District within 30 days. If no Change Request is submitted in this time frame, the work is considered to have been completed as part of the base contract work and at no additional cost to the District.	
All Change Requests for cost and time related to work completed on a time and material or force account basis must be provided within 30 days of completion of the work. If no Change Request is submitted in this time frame, the work is considered to have been completed as part of the base contract work at no additional cost to the District.	
Any work completed on a time and material or force account basis in which a price quote was requested by the Architect or District prior to performing the work and no price was provided must be submitted within 72 hours of completion of the work. If no Change Request is submitted in this time frame, the work is officially considered to have been completed as part of the base contract work at no additional cost to the District.	
If the Architect or District requests additional information for a specific Change Request, then the Contractor must submit it within 15 days. If the Contractor fails to respond within 15 days, the Change Request is considered rejected by the District.	
Section 012900: Payment Application Procedures	
At the District's discretion, failure to submit a Schedule of Values within seven (7) days after award of contract shall be grounds for dismissal of contract.	
Waivers are required from all subcontractors with each pay request.	
Section 013100: Project Management and Coordination	
The District has the right to reject a superintendent, project manager or other contractor staff and require replacement with appropriate/acceptable staff. Contractor will oblige the District's right to approve and accept contractor's staffing.	
Section 013110: Project Schedules	
Construction may not begin until a schedule has been submitted.	
Contractor will submit a preliminary project schedule and contract within the time limits described.	
Items on the critical path are items with zero (0) total float time.	
Schedule will indicate a fair amount of free float and total float. Submitted schedule will not indicate that all items are Critical.	

Key Requirement**Initial**

At the District's discretion, failure to submit a Project Schedule within seven (7) days after award of contract shall be grounds for dismissal of contract.

Float time is shared between District and Contractor. Neither shall assume usage of float time without consultation and agreement.

All time calculations will be provided in calendar days.

Any time extension requests due to a change order must be shown to have an effect on a critical path item or to have created a new critical path.

Schedule updates are required to be submitted each month as a condition of receiving payment.

Contractor recognizes the Project Specific Requirements to include 15 calendar days as one final task in the project schedule to be utilized as the equivalent of Free Float and Total Float solely for the District's use.

Contractor recognizes the Project Specific Requirements to include an additional (5) half days of free float to accommodate for District testing shutdowns.

**Section 013200: Construction Progress Documentation**

Record Documents are the responsibility of the General Contractor's superintendent.

Record documents shall be kept and updated daily.

Updated record documents are required to be provided each month as a condition of receiving payment.

**Section 013300: Submittal Procedures**

Contractor acknowledges that contractor shall review all submittals (including but not limited to shop drawings) prior to submittal to Architect and District Representative. Any submittals forwarded to the Architect and District Representative shall be stamped by the Contractor indicating that the contractor has fully reviewed the associated submittal and that contractor believes that the submittal is in conformance with project requirements. Submittals not reviewed by Contractor prior to submittal will be returned to contractor without review.

**Section 013510: Title 24, Part 1: Administrative Requirements**

Contractor recognizes the authority of the Division of the State Architect (DSA) and will perform all work of this project in conformance with DSA requirements.

Contractor shall provide the Project Inspector Access to all areas of construction at any time during the construction period

**Section 016300: Product Options and Substitutions**

A submittal schedule will be provided by contractor, indicating a calendar schedule of when submittals will be submitted to Architect, with associated review periods indicated.

Substitution requests must be submitted prior to bid or within 30 days of award of contract.

Substitutions received within 30 days after award of contract will be reviewed – but Contractor

acknowledges that there is no guarantee of acceptance by Architect or District.

Substitution requests submitted later than 30 days after award of contract will only be considered when a product becomes unavailable at no fault of the Contractor.

Contractor acknowledges that substitution submittals that are not clearly marked as such will be summarily rejected.

Substitutions will be submitted with a clear item by item explanation indicating why contractor believes the item is equivalent to a submitted item.

Section 017400: Cleaning

The site must be kept clean at all times on a daily basis. Trash will not be allowed to accumulate on site.

Section 017700: Contract Close Out Procedures

Contractor acknowledges that Occupancy or use by District does not necessarily denote "Beneficial" occupancy. Contractor may still be liable for Liquidated Damages when District occupies the facility while certain project components remain incomplete.

Contractor will not request a substantial completion review until contractor believes that all project components are satisfactorily completed.

Licenses

If any of your firm's license(s) are held in the name of a corporation, partnership, or limited liability company, list below the names of the qualifying individual(s) listed on the CSLB records who meet(s) the experience and examination requirements for each license **William Eldo Burr**

- ☐ Yes ☒ No Has your firm changed names or license number in the past five years?
- ☐ Yes ☒ No Has any owner, partner, member or (for corporations or limited liability companies) officer of your firm operated a construction firm under any other name in the last five years?

Project History

Provide the information requested below for the six largest public works projects for an educational institution and three largest private works of improvement on which you have completed your scope of work in the last five years. If you do not have six projects in education, list those first then all other public works. 'Largest' means highest contract dollar value, including change orders. Names and references must be current and verifiable. Only list projects your firm performed as the general contractor in charge of all trades for the construction of a building. Provide email addresses for all references. Press the ADD PROJECT button to add detailed information about each relevant project your company has worked on. If you are a M/E/P contractor, list your largest projects in both categories.

State your firm's gross revenues for each of the last three years. If your firm has not been in business for three years, enter \$0 for the gross revenue amount of prior years. Press the ADD button to add revenues for each year.
